OUR MODEL

Many would agree that peer influence is one of the most powerful and far reaching influencers. In American culture, athletes are often held in high regard; inevitably, athletically gifted youth possess significant influence among peers (*jock-stack*). Through the process of vertical dissemination, we give elite student-athletes the tools to become intentional leaders, which empowers influencers of the highest aptitude to improve and increase individual and collective performance within their networks on a much larger scale. In theory, this organization's objective is to enhance the overall performance and success of all those associated with Camp U attendees, be that in any of the following areas: school, athletics, communities, work, home, church, and any other group or association.

ATTENDEES: WYOMING'S ELITE STUDENT-ATHLETES

Each school selects their top elite male & female student-athletes for the state's annual leadership camp for elite student-athletes. Selectees are high academic achievers (near/at a 4.0 GPA), "All-State" level performers within their athletic programs, and actively involved in their school and communities. These are the kids that are already in the spotlight at their respective schools; they are our future difference makers.

WHY DONATE?

Camp U Leadership is a qualified public charity (nonprofit), 501(c)(3), and is tax deductible. Because we are a public, nonprofit charity, our ability to mentor, train, and inspire the state's finest is largely dependent upon the financial support we receive from the public. We are teaming up with successful individuals and organizations like yours that want to take an active role in giving back. This is the only way that this life-changing event is made possible.

ALLOCATION OF DONATED FUNDS

With exception to charities, donated funds are exclusively allocated to the annual event, with zero monetary benefits for staff and contributors; all associated participants volunteer their time, means, and services. With your support, we are able to provide the following: camp materials, food, team-building activities, player packs (Camp U branded sports attire), keynote speaker, scholarships, prizes, and all other resources used to enhance Camp U Leadership.
